Payment of Umpires

To be eligible for payment for umpiring all members need to be registered as an umpire for 2025 through the Netball Connect platform. Registering as an umpire is free and helps us manage rosters and payments. Umpires will be paid for umpiring games for U16 and Open Netball matches only. Payment will only be made for matches where the umpire name and signature is recorded on the scoresheet. Umpiring fees will be paid periodically throughout the season.

Umpires eligible for payment in 2025:

- Umpires who have completed the Rules of Netball Exam and the Foundation Umpire course will be paid \$10 per match (U16 & Open matches)
- Umpires with Junior Umpire Award will be paid \$10 per match (U16 & Open matches)
- C Badge umpires will be paid \$25 per match (U16 & Open matches)
